

Eleven things every full inspection asks for on the staff side.

Tick what you could hand over today without a caveat. Anything unticked is the to-do list.

- ☐ Statement of purpose, current and reviewed
- ☐ Staff list with qualifications and planned qualification updates
- ☐ Recruitment and vetting records, complete for every person
- ☐ Training records, mandatory courses in date
- ☐ Supervision records, everyone in cycle including the manager
- ☐ Staffing rotas, planned and as actually worked
- ☐ Allegations records, held securely with timescales evidenced
- ☐ Reports of monthly regulation 44 visits
- ☐ Regulation 45 quality of care report, within six months
- ☐ Notifications made to Ofsted, with who else was told
- ☐ Location assessment, reviewed within the year

The one that fails most files: an employment gap with no written explanation.

Anything over a month, in anyone's history, needs a sentence in writing. "Travelling" is a pass. Silence is a finding.
